

# Product Specification

Name : Collodion

Another  
name :

Grade : First Grade

Volume : 500mL

Specification number : Ka-088

Issue number : BBI29

Code number : 03003625

HAYASHI PURE CHEMICAL IND.,LTD.

3-2-12 UCHIHIRANOMACHI,CHUO-KU, OSAKA 540-0037, JAPAN

| No. | Item              | (unit) | Specification                | Test Procedure   |
|-----|-------------------|--------|------------------------------|------------------|
| 1   | Appearance (Form) | -      | Viscous liquid               | Visual method    |
| 2   | Appearance (Hue)  | -      | Colorless or slightly yellow | Visual method    |
| 3   | pH                | -      | 5.0 ~ 8.0                    | pH meter method  |
| 4   | Pyroxylin         | %      | 5.0 ~ 5.5                    | Weighting method |
| 5   |                   |        |                              |                  |
| 6   |                   |        |                              |                  |
| 7   |                   |        |                              |                  |
| 8   |                   |        |                              |                  |
| 9   |                   |        |                              |                  |
| 10  |                   |        |                              |                  |
| 11  |                   |        |                              |                  |
| 12  |                   |        |                              |                  |
| 13  |                   |        |                              |                  |
| 14  |                   |        |                              |                  |
| 15  |                   |        |                              |                  |
| 16  |                   |        |                              |                  |
| 17  |                   |        |                              |                  |
| 18  |                   |        |                              |                  |
| 19  |                   |        |                              |                  |
| 20  |                   |        |                              |                  |
| 21  |                   |        |                              |                  |
| 22  |                   |        |                              |                  |
| 23  |                   |        |                              |                  |
| 24  |                   |        |                              |                  |
| 25  |                   |        |                              |                  |
| 26  |                   |        |                              |                  |
| 27  |                   |        |                              |                  |
| 28  |                   |        |                              |                  |
| 29  |                   |        |                              |                  |
| 30  |                   |        |                              |                  |
| 31  |                   |        |                              |                  |
| 32  |                   |        |                              |                  |
| 33  |                   |        |                              |                  |
| 34  |                   |        |                              |                  |
| 35  |                   |        |                              |                  |
| 36  |                   |        |                              |                  |
| 37  |                   |        |                              |                  |
| 38  |                   |        |                              |                  |
| 39  |                   |        |                              |                  |
| 40  |                   |        |                              |                  |
