

# Product Specification

Name : 3mol/L(3N) Hydrochloric acid

Another  
name :

Grade : VS

Volume : 5L

Specification number : VS-061

Issue number : AJD27

Code number : 42003738

HAYASHI PURE CHEMICAL IND.,LTD.

3-2-12 UCHIHIRANOMACHI,CHUO-KU, OSAKA 540-0037, JAPAN

| No. | Item              | (unit) | Specification | Test Procedure          |
|-----|-------------------|--------|---------------|-------------------------|
| 1   | Appearance (Form) | -      | Liquid        | Applicable to JIS K8001 |
| 2   | Appearance (Hue)  | -      | Colorless     |                         |
| 3   | Factor (F)        | -      | 0.97 ~ 1.03   |                         |
| 4   |                   |        |               |                         |
| 5   |                   |        |               |                         |
| 6   |                   |        |               |                         |
| 7   |                   |        |               |                         |
| 8   |                   |        |               |                         |
| 9   |                   |        |               |                         |
| 10  |                   |        |               |                         |
| 11  |                   |        |               |                         |
| 12  |                   |        |               |                         |
| 13  |                   |        |               |                         |
| 14  |                   |        |               |                         |
| 15  |                   |        |               |                         |
| 16  |                   |        |               |                         |
| 17  |                   |        |               |                         |
| 18  |                   |        |               |                         |
| 19  |                   |        |               |                         |
| 20  |                   |        |               |                         |
| 21  |                   |        |               |                         |
| 22  |                   |        |               |                         |
| 23  |                   |        |               |                         |
| 24  |                   |        |               |                         |
| 25  |                   |        |               |                         |
| 26  |                   |        |               |                         |
| 27  |                   |        |               |                         |
| 28  |                   |        |               |                         |
| 29  |                   |        |               |                         |
| 30  |                   |        |               |                         |
| 31  |                   |        |               |                         |
| 32  |                   |        |               |                         |
| 33  |                   |        |               |                         |
| 34  |                   |        |               |                         |
| 35  |                   |        |               |                         |
| 36  |                   |        |               |                         |
| 37  |                   |        |               |                         |
| 38  |                   |        |               |                         |
| 39  |                   |        |               |                         |
| 40  |                   |        |               |                         |
