

# Product Specification

Standard number : Sa-530  
Issue number : CCF20  
Code number : 44030465

Name : Artificial saliva  
(for Dental metal materials)

(Other name : )  
Grade : E P  
Volume : 5 0 0 m L

3-2-12 UCHIHIRANOMACHI, CHUO-KU,  
OSAKA 540-0037, JAPAN

HAYASHI PURE CHEMICAL IND.,LTD.

| No. | Item              | (unit) | Specification         | Test Procedure  |
|-----|-------------------|--------|-----------------------|-----------------|
| 1   | Appearance (Form) | -      | Liquid                | Visual method   |
| 2   | (Hue)             | -      | Colorless transparent | Visual method   |
| 3   | p H (25°C)        | -      | 2. 3 ± 0. 1           | pH meter method |
| 4   |                   |        |                       |                 |
| 5   |                   |        |                       |                 |
| 6   |                   |        |                       |                 |
| 7   |                   |        |                       |                 |
| 8   |                   |        |                       |                 |
| 9   |                   |        |                       |                 |
| 10  |                   |        |                       |                 |
| 11  |                   |        |                       |                 |
| 12  |                   |        |                       |                 |
| 13  |                   |        |                       |                 |
| 14  |                   |        |                       |                 |
| 15  |                   |        |                       |                 |
| 16  |                   |        |                       |                 |
| 17  |                   |        |                       |                 |
| 18  |                   |        |                       |                 |
| 19  |                   |        |                       |                 |
| 20  |                   |        |                       |                 |
| 21  |                   |        |                       |                 |
| 22  |                   |        |                       |                 |
| 23  |                   |        |                       |                 |
| 24  |                   |        |                       |                 |
| 25  |                   |        |                       |                 |
| 26  |                   |        |                       |                 |
| 27  |                   |        |                       |                 |
| 28  |                   |        |                       |                 |
| 29  |                   |        |                       |                 |
| 30  |                   |        |                       |                 |
| 31  |                   |        |                       |                 |
| 32  |                   |        |                       |                 |
| 33  |                   |        |                       |                 |
| 34  |                   |        |                       |                 |
| 35  |                   |        |                       |                 |
| 36  |                   |        |                       |                 |
| 37  |                   |        |                       |                 |
| 38  |                   |        |                       |                 |
| 39  |                   |        |                       |                 |
| 40  |                   |        |                       |                 |
